### CARRER CHANGE

2019 : Medical secretary in a dental office - Clinadent (Marseille - France)

2018 : Business travel advisor at Egencia's travel agency (Angers - France)

2017 - 2018 : French and English private teacher (Tokyo)

2016 - 2017 : Pastry Chef-Saleswoman in a bakery at Merveilleux de Fred (London)

### 👤 About me

Having lived in Paris, London, Tokyo, and Montréal, I've decided to return to beloved France, set my suitcase down, and enjoy time with friends and family. Transitioning to web development 4 years ago, I primarily worked with Angular 2+, but I'm open to all JavaScript-oriented roles. If you're seeking a motivated developer, please don't hesitate to reach out.

### 📁 Projects

- Pokedex (External API / Front-React / Material UI)
- Portfolio (Front - Angular / Tailwind / CSS Animations)
- Chess games (Complex algorithms / Front-Angular / Back-Node.js / Database MongoDB)
- Booklist sharing application (Back-Symfony / Front-Angular / API Platform + API Google Book / Database MySQL)

### 🎓 Diplomas

May - July 2020 : Angular / Symfony Learning Course

January - March 2020 : Web Development basic skills Learning Course

2014 - 2016 : Tourism Bachelor's degree

2011 - 2013 : Japanese Bachelor's degree
